

End of the Year Celebration

On Saturday, June 10, 2017, the last chapter meeting of the year was held. A major activity was the installation of new officers. Sorors readied themselves for next year by signing up to work on short and long-term programs. After a great end-of-the year meeting, thirty-seven sorors joined together for food and fellowship at Timothy's, a restaurant on the Riverfront in downtown Wilmington. While enjoying lunch, sorors took the time to catch up with each other, make plans to stay in touch during the summer and even discussed several ideas for programs for next Sorority year! The food was great and the fellowship loud and full of laughter. This was a tremendous and enjoyable way to end an excellent sorority year.
